LVMuseum Fire Alarm and Smoke Detector Drawings

City of Las

أيتارر

DEC 01 300.

Carson,

We will be submitting the LVMuseum Fire Alarm and Smoke Detector Drawings to Building and Safety for a revision to the building permit for WRL today as soon a I receive a transmittal. I will notify you of the Application number upon receipt.

I have placed a scan of the drawings being submitted on our ftp site. See below for instructions to down load the pdf file.

External users would go to ftp://ftp.lasvegasnevada.gov using their favorite FTP program or Internet Explorer.

To upload a file, they would drop the file in the Inbound folder.

To download a file, they would get the file in the Outbound folder\LVmusuemRehabilitation\Fire Alarm and Smoke Detector Drawings\

Re: A/P# 152281-C-09 (revision)

Your plans are ready to be picked-up. Please pull a ticket to see a cashier, and if paying by check, make it payable to the City of Las Vegas. MasterCard, Visa, and Discover credit/debit cards are also accepted. If you have any questions, please call the number above.

Photo ID is required with all in-person transactions.

Cashiers close at 4:30PM.

When picking-up a permit:

Licensed contractors must provide their:

- pre-printed company check or company credit card (company name must match license); or
- if paying by any other means, original Nevada State Contractors' Board card; or
- if applicable, authorized designee with a letter on company letterhead, signed by a principal
 of their company, specifically listing their designee's name, check number, and check amount.
 Owner builders must provide their:
 - proof of ownership (i.e., copy of deed to project property); and
 - completed Nevada State Contractors' Board Owner Builder Affidavit of Exemption form; and
 - if applicable, authorized designee with a notarized letter, signed by the property owner, specifically listing their designee's name and their permission to pick-up their permit.

If your A/P# starts with a five or six-digit number (e.g., 12345-C-06, 123456-R-07, etc.), you¹ can use our Automated Inspection Scheduling system by calling (702) 229-4677 to:

- pay your fees with your credit/debit card;
- schedule, cancel, or reschedule an inspection; and/or
- obtain status information about a scheduled inspection.

If your A/P# starts with a letter (e.g., L-1234-05, M-1234-05, etc.), you can use our Automated Inspection Request system by calling (702) 229-2071 to:

- schedule, cancel, or reschedule an inspection; and/or
- obtain status information about a scheduled inspection.

With either type of A/P#, you can also visit www.lasvegasnevada.gov/Schedule/inspections.htm to:

- schedule, cancel, or reschedule an inspection; and/or
- obtain status information about a scheduled inspection.

To use any of our systems to schedule an inspection, you will need to have ready:

- your permit number (i.e., the five or six-digit number your A/P# starts with, or if it starts with a letter, the eight-digit number found on your permit print-out and/or hard card);
- the street number of your project address;
- the three-digit inspection code number you wish to schedule or request (e.g., 101, 140, 902, 904, etc.);
- a contact phone number; and
- if your A/P# starts with a five or six-digit number, your² Personal Identification Number (PIN).

Note 1: Note 2: Licensed contractors must have a PIN to use our *new* system. To obtain a PIN, a principal of their company or an authorized designee (i.e., designated on company letterhead signed by a principal of their company) must apply in-person at the Development Services Center (DSC). Owner builders' PINs can be found on their permit hard cards and are unique to each permit number.

Effective <u>January 1, 2009</u>, the city Sewer Connection Fee increases to \$1884 per ERU and the regional CWC Sewer Connection Fee increases to \$849 per ERU.
